

TIER 2

TIER 3

SIT team meeting: Review data, determine appropriate Tier 3

Implement intervention plan. Progress monitor student as required by intervention strategy. Tier 3 weekly progress monitor

Three week check-in meeting with SIT to evaluate current progress. Make any adjustments needed

Six week check-in meeting with SIT to evaluate current progress

Team determines appropriate next steps

Goal met:  
Discontinued  
intervention

Significant progress:  
Maintain intervention

Below average progress:  
Change intervention

No/minimal progress:  
Change intervention

- ❖ If the intervention plan and its revisions are not successful in helping the student meet the goal(s), the SIT may make a referral to the Special Education Child Study Team for a possible special education evaluation.
