

901 COMMUNITY EDUCATION

I. PURPOSE

The purpose of this policy is to convey to employees and to the general public the important role of Community Education within the school district.

II. GENERAL STATEMENT OF POLICY

The school district affirms a strong commitment to the Community Education program. The school district welcomes, and strongly encourages, use of school buildings and activity areas by the community when not used for regularly scheduled District programs. The school administration should strive to accomplish the following objectives:

- A. Maximum use should be made of public school facilities within the school district service area.
- B. The educational needs and interest of area residents will guide the development of a vibrant, well-rounded Community Education program.
- C. Area residents, and non-residents, as space is available, are encouraged to actively participate in program opportunities.
- D. Build strong community-district relationships.

III. COMMUNITY EDUCATION ADVISORY COUNCIL

- A. The council shall assist in promoting the goals and objectives of the program.
- B. The membership of the advisory will consist of members who represent: various services organizations; churches; public and nonpublic schools; local government including elected officials; public and private nonprofit agencies serving youth and families; parents; youth; park, recreation or forestry services of municipal or local government units located in whole or in part within the boundaries of the school district; and any other groups participating in the community education program in the school district.
- C. Bylaws of the community education advisory council shall provide the framework for the organization including criteria pertaining to membership, officers' duties, frequency and structure of meetings and such other matters as deemed necessary and appropriate.
- D. The council will adopt a policy to reduce and eliminate program duplication within the school district boundaries.
